

REFERRAL PROGRAM

That's right!!!

Bare International has developed a NEW REFERRAL PROGRAM which will allow you to earn extra money... and we all love extra cash!

You probably know friends, family members and co-workers who would enjoy performing mystery evaluations, so why not get some extra cash just for spreading the word about BARE?! Mystery assignments are a fun way to earn some extra money and through our Referral Program, you will have the opportunity to put some extra green in your pocket.

This program is easy and simple; It will allow you to invite the people you want to refer through your own shop log. After they sign up, you will accumulate a point for every shop successfully performed by each person you refer.

To generate points for your referrals, the new evaluator must register with the same email address you provided. For example, if you refer "John Bare" with email address "johnbare@bareinternational.com", "John Bare" must register with that same email address. Please be sure to have the correct email addresses of your friends this way our system will automatically recognize the email address and will assign that point to you. Once you've accumulated the minimum amount of points, your points will turn into money and will be paid to you each month. Referrals made prior to this program are excluded.

I am a Mystery Evaluator for BARE International, a global mystery shopping firm headquartered in Fairfax, VA USA and offices in Belgium, Brazil, China, China and India.

What is a Mystery Evaluator?

Mystery evaluators are people who act as normal customers performing specific tasks - such as purchasing a product, asking questions, or playing out a specific scenario - and then provide detailed reports or feedback about their experiences as while getting paid.
